ECU Flash Subscription Terms & Conditions:

This subscription allows you to perform ECU Flash with wiTECH 2.0 Diagnostic Application or wiTECH 2.0 J2534 Application which are the properties of FCA US LLC (hereinafter referred to as “FCA US”). FCA US reserves all rights to the ECU Flash software and allows you as a paid subscriber access to the data as long as you agree to use it solely for your own use and you will not copy it or provide it to any person outside of your actual business. For example, if you are a dealership or an independent repair facility, you may use this information within your own service facility, but may not share with another dealer or independent repair facility. Any party who needs to perform ECU Flash on a FCA vehicle may do so by purchasing ECU Flash subscription. This data is to program a vehicle and may be used only by the subscriber or their employees. This subscription may be used by only a single subscriber; it is a violation of this subscription to allow multiple businesses to share the cost of a subscription with the expectation that each business can freely use the information. Modifying the ECU Flash software for commercial sales is also prohibited. Users found to have violated these terms and conditions may have their access terminated without refund and may be assessed additional fees based on the level of use during the violation. All sales are final.
